

Hello Parents,

The weather is getting warmer and the end of the year is approaching. That can only mean one thing!

The Moms Booster Club is excited to present the **4th Annual SAS Crusader Dash**. As in previous years, this fundraiser will directly benefit our teachers and students while promoting health, fitness and fun. It is a win-win for everyone!

Since this is a fun run, not a competition, we encourage our students to participate by doing whatever makes them happy - running, walking, skipping, dancing - however they choose to complete the course!

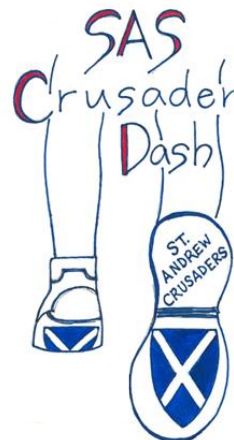

Please review the information here and on the back of this page to find out about the run and sponsorships.

If you have any questions, please email sasmomsclub@gmail.com.

Photos of the event will be posted to the St. Andrew Facebook page and the school website so be sure to check them out!

We look forward to a great day for all!
